* Actual figure count for non banner bearers may vary. There should be a sufficient number of figures to field the units necessary to play the adventures described in the Adventures booklet. **Note:** The unit of Hobgoblin Archers standing outside of the wood, in Adventure # 9 – “Free Companies on a War Footing” is a misprint. The correct unit should be a unit of Green Pennant Goblin Skirmisher (infantry), not an archer unit. There is only one unit of Hobgoblin Archers in the base game.

** Each game includes a random assortment of banners for custom adventure creation.
