

WARHAMMER: INVASION REGIONAL CHAMPIONSHIPS

WELCOME TO THE WARHAMMER:
INVASION THE CARD GAME
REGIONAL SEASON!

This document is intended for tournament organizers (TOs) interested in applying to host an officially-sanctioned Regional Championship tournament during the 2010 season. This year's season begins April 30th, 2010 and ends June 30th, 2010.

A *Warhammer: Invasion* Regional Championship is a major tournament supported by Fantasy Flight Games. The Regional Championships are an opportunity to generate excitement and enthusiasm for *Warhammer: Invasion The Card Game*, to provide a competitive environment for fans of the game, and to help build your local *Warhammer: Invasion* community.

In addition to the Regional Championship tournament itself, Regional Championships may also feature side events like team tournaments, legacy tournaments, and other original TO-sponsored events. The best Regional Championship weekends have the feel of a *Warhammer: Invasion* convention.

WHY WOULD I WANT TO RUN OR COMPETE IN A REGIONAL CHAMPIONSHIP EVENT?

Running a Regional Championship event is a great way to become the center of *Warhammer: Invasion* activity in your area, expand your player base, and showcase the game. Players will want to attend a Regional Championship event in the quest to become a *Warhammer: Invasion* Regional Champion, which is also the first step towards becoming the Warhammer: Invasion World Champion! Regional Champions will be awarded a first round bye at the Gen Con Indy 2010 World Championships. In addition to the leg up on the field at Worlds and the prestige that comes with being a Regional Champion, players also compete for an assortment of Regional-exclusive championship prizes and trophies, including:

- A large “Regional Championship 2010” banner to be displayed at the venue
- A special playmat for the winner of the tournament
- An exclusive “Regional Champion” trophy Capital board
- 4 Large 24”x36” uncut card sheets from a recent expansion print run
- 4 Large glossy art prints
- 16 sets of Regional Championship-exclusive Damage / Burning tokens for the first 16 registered players
- 4 cloisonne pins that will serve as invitations to an exclusive invitational tournament at the FFG Event Center in Roseville, MN. (Details forthcoming)

- A set of updated tournament rules, FAQ/errata, and decklist forms.

In addition, the Regional Champion will receive a certificate to be redeemed at Gen Con Indy 2010 (August 5th-8th, 2010), for reimbursement of his/her Gen Con badge through product available at the Fantasy Flight Games booth in the exhibition hall (Receipt for Gen Con badge required).

All participants will also have their name and tournament rank (and picture, if desired), posted on an online Hall of Heroes page on the Fantasy Flight Games website. Instructions for the submission of player information will be included with the Regionals kit.
