

Chapter Seven

Scenario

Requires:

Arkham Horror, Dunwich Horror

Setup: Ancient One: Glaaki

Setup as follows:

Only the following Investigators may be used:
Darrell Simmons, Carolyn Fern, Mark Harrigan,
Sister Mary, Harvey Walters, Jim Culver,
“Ashcan” Pete, Jacqueline Fine, Gloria Goldberg
Monterey Jack, Michael McGlen, Rita Young

Add all of the Dunwich components, including the board.

The following locations begin the game closed:

The Woods, Silver Twilight Lodge

Special Rules:

Clue tokens appear as normal. Calvin Wright must be taken as an ally. Calvin replaces one of the unique items, random or fixed, listed as an investigator’s starting possessions. Cultists have their will rating set at -3 dealing 2 Sanity Damage and their combat rating set to -3 dealing 3 Stamina damage. If there are two or more cultists in a location at the end of the Mythos phase raise the terror level by 1. Any player may choose to be devoured to remove 3 Doom tokens from the Doom track. Any investigator who is sent to the hospital by a cultist must remove the cultist from the board and place the cultist on his sheet.

If Glaaki wakes up, any investigator with a cultist on his sheet is immediately devoured.
