CHARACTER BACKGROUND

**Obligation: Betrayal (5)**

During a bounty hunting job, fellow clansman Lar’omx betrayed and humiliated Tray’Essek, which according to his beliefs “zeroed out” his jagannath points, denying him a place of honor in Trandoshan society and in the afterlife. The only way to restore his lost points is to kill the one who did this to him. Tray’Essek has devoted his life ever since to killing Lar’omx... and making sure that nobody else kills him first. Last he heard, the traitor was working for Black Sun, and Tray’Essek joined up with the Pykes recently for a chance to finally track Lar’omx down.

Tray’Essek starts with an Obligation value of 5, but can increase the magnitude of his humiliation up to as much as 20 in order to add an additional talent or piece of equipment. He is able to do this by benefiting more from the fury of his vendetta, but it may come back to haunt him in the future. Add the original and any newly incurred Obligation, and circle the appropriate value above.

**Playing Tray’Essek**

- You stand about a head taller than everyone else, and combined with your sharp claws and pointed teeth this makes for an intimidating sight. Threats of force are your forte, as are beat downs and muggings.
- As an ex-ganger, you know how to take a hit and shrug it off. Since you started working with Jovel, Matwe, and Sin, you’ve become fiercely protective of them and won’t hesitate to defend them in a fight.
- If it comes down to it, you’ve got an old slugthrower rifle to take down enemies at range, and while it packs a punch, it’s not the most accurate gun in the galaxy.
