

MANSIONS OF MADNESS

Thank you for purchasing *Mansions of Madness*.

Replacement Cards

A small pack of seven replacement cards are provided to replace the misprinted cards of the same name.

The cards with the **correct** text are all marked with a tiny “R” in the lower right hand corner. To avoid confusion, we suggest that you dispose of the misprinted cards after replacing them.

Figure Assembly

To prevent damage during shipping, the monster figures in this game are **not** pre-attached to their bases.

To assemble them, push each figure’s peg into the appropriate base until it sticks (see image below).

The two Shoggoths should be attached to the largest bases, the two Cthonians to the medium sized bases, and all other figures attached to small bases.
