Add all of the Dunwich components, including the board. If you choose, you may add all of the Innsmouth components and board. Teams who do so gain 10 extra points to their score. If using Innsmouth, only Innsmouth Investigators and Calvin may be used.

Special Rules:

Clue tokens appear and are setup as normal. Calvin Wright must be taken as an Investigator. Use Wilson Richards Standee for Calvin. Place both Father Dagon and Mother Hydra in play as Heralds. Anytime a Cultist is collected as a trophy, raise the terror level. Every time an Investigator is devoured, every remaining Investigator must reduce their maximum Sanity or Stamina by one. In addition to the normal sealing/closing effects, any Investigator who closes or seals a gate to R'lyeh reduces their maximum Sanity and Stamina by 2.
